- ❑ Requirements gathering

New Business:

Topic of Discussion	By Group #
→ Review user stories ◆ Twila is happy about the user stories, she is satisfied with flow.	B
→ Do businesses have public profiles that can be viewed? ◆ A: No. The businesses only post their own listing/ listings. → If so, how do users access a business' profile? ◆ NA → Before the business posts their first listing their account does not be verified or reviewed.	B
→ Do multi things, will be found in multi areas.	Twila
→ People can only view other people's basic profile.	Twila
→ People should be knowing what they are searching, such that they have to choose from the listing we have on the website.	Twila
→ Approve the business account and their postings at the same time. ie. a business account can go ahead and make a posting before being verified.	Twila
